*Update: I guess we are all still here and Harold has gone into hiding. May 21, 2011 came and went and the excuses are coming out and new dates are being set. If you have read any of the previous articles concerning the 2012 prophecies and the prophetic proclamations of the past then you already knew the answer to these false projections by this, and many other ministers of JESUS. Had then been true ministers and teachers of the Holy Bible and the words of YHWH and of YaHshua they would have been forewarned. Still, may a Christian work has been built upon such lies, read it for yourself.*

*He is coming, He will come but in His own time, a time chosen by our Heavenly Father. Before any of this can, or will, happen an event is to take place that will make all of us sit up and take notice. There is an event coming that will come before the return of our Savior, and event that has not yet happened. Until this great event it is senseless to listen to anyone telling you the time is now. What is that event? Read it for your self in Revelation 6:12 and then check out the articles I have written at this website, the [Great Earthquake](#), it is coming, it is promised, it is His words not the words of men and until this happens His return is no imminent, it cannot happen at any time as the Rapturist falsely teach*

I admit it, yes I do, I was nearly caught off guard by this latest announcement (warning?) of the coming Judgment. Of course, it is too late for you and me and this date is not the date of the End of the World -- that is reserved for October 2011. The May 21st date is when the Rapture will occur, according to those making all this up. Sure, they have evidence, all kinds of evidence revealed to them by some force powerful enough to cause them to believe their own lies. A true Prophet of the Living God is always right and there seems to be few of them around, or that have ever lived. Harold Camping has been wrong before, like many others, and this should automatically exclude him from believers listening to anything he has to say.

I have gone to the web sites promoting this stuff and see the only good thing is we do not have to wait long for the proof of their error and the revealing of their deception. Our Savior, YaHshua, told us no one would know -- well, let's let Him tell us --

*(Mat 24:36) But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.*

Pretty plain, if you as me, and how do they justify this? They don't. All that is being accomplished here is making anyone saying they believe in the Holy Bible of the

Hebrews and the Christians are all nuts, all duped, all stupid and silly. The believers in the written word are once again going to receive a black eye from all of this. The verse just quoted is recoded having come from our Savior's own lips, "...of that day .." and what do we see with these people? They ignore YaHshua's words for their own.

Now I must qualify what I am saying, there will, one day, appear two gentlement that will be representing the Creator God of all things, and they will be saying things and declaring YaHshua and our Heavenly Father and when they say something is about to happen, it will. So, how do we know Harold is not one of them? Because, certain prophetic events must take place first, one of which will literally change the earth -- the [Great Quake](#) (Rev 6:12). Self proclaimed prophets can call for the return of our Savior, YaHshua, all they want but until the Great Quake we can be pretty sure we are not yet there. Even then there will be other things to happen, after the Great Quake, but it is this one, singular, event that is still on the horizon and until that day we can rest assured these prophets are all wrong and are being influenced by something other than our Savior, YaHshua.

If you really want to have a look at the Club Prophet disgraceful record and their continuing flaw in dating schemes you can go to this site, it has a pretty good list and you may even recognize some of them.

<http://ebiblefellowship.com/may21/index.html>

Go to [another article](#) we have on our own site dealing with other dating schemes from the past as well as others [projecting into the future](#).

I have but one great fear and I hope it does not happen -- some the deceived devoted to this false teaching locking themselves up somewhere and committing suicide to guarantee they are Raptured. This would not be the first time people have been so deceived, I pray this does not happen, and that they suffer only disappointment. Maybe this will wake some of them up. History has proven that the leaders of such failures usually begin re-dating right away, as though they have other dates and dating methods for game plan "B" and "C" as plan "A" falls apart.

Yes, my friends, this too will fail. Some of the people sucked into this farce are well meaning but I can't help think those behind this kind of thing know exactly what they are doing -- or -- they are really being used as agents of Satan. There, I said, Satan, alive and well, using his evil spirits to influence gullible man -- causing people like Harold Camping to think they really are on to something.

Take care, my friends and protect yourself with the pure word of our God and of our Savior and of His Apostles. They have left us all that needs to be said. We can write

about it, discuss it, study it, and believe it but always it is His and not ours so we need to take care in how we use the words left for us as our guide and for an aide in our growth. The Holy Bible is finished and our Savior and Creator have said all they need to say to us and humanity. To step outside of these words to foster some desire or false hope not in accordance to the Word is just wrong. There is not true prophet that will say anything contradicting this written word.

The Apostles and our Savior, before the New Testament was put together, were expounding upon the Old Testament and they never step out of line. There is even an example in the Apostle's writings demonstrating a prophet of the new church being ignored -- rejected, not in a harsh way but all the same, ignored. Do not put present day, self proclaimed prophets in place of the Word. You can ignore them if you wish, as did Paul.

There is a place for prophets but this is a low degree, or should be, among the faithful.

*(1Co 14:4-6) He that speaketh in an unknown tongue edifieth himself; but he that prophesieth edifieth the church. I would that ye all spake with tongues, but rather that ye prophesied: for greater is he that prophesieth than he that speaketh with tongues, except he interpret, that the church may receive edifying. Now, brethren, if I come unto you speaking with tongues, what shall I profit you, except I shall speak to you either by revelation, or by knowledge, or by prophesying, or by doctrine?*

Here we see that to *prophecy* is placed well above speaking in "tongues", and that "tongues" is of no value unless it is by "revelation", or "knowledge", or "*prophecy*" or "doctrine". So, we see a place for "prophecy" but it is not recognized as a primary position within the Church of YaHshua. Prophecy can come by "revelation" but also by knowledge or doctrine which means the study and understanding of the written word. We do not need to rely on someone telling us God is talking to them, for making things known only to them. How do we know these are false prophets when they say they are telling us what the Sord says? Simple, go the the word yourself, and as we quoted earlier, "... of that day, that hour, knows not man..." and what do these false prophets say? They say they know the day, even the hour and at this time it is to be 21st of May, 2011.

More could be written on this but I have already done some work on ["False Prophets"](#). Still, for some reason, people really like to put self-proclaimed prophets on some kind of spiritual pedestal as though they are speaking for our Creator. If you want to hear His words, as delivered to some real Prophets then read your own Bible. When the [two witnesses of Revelation 11](#) come on the scene certain world shaking events will have already occurred, the Great Quake, appearance of the heavens rolling up as in the end of the Universe, the end of the World, and after this nerve racking time a time of

silence, followed by stars appearing to fall all over the world, and then a giant asteroid plunging into the sea to be soon followed by the comet known as "Wormwood". The real prophets of the Living God, will not appear until after these events.

This link identifies the source of this false date setting and will prove once again the false prophet camping for what he is. Did I say, "once again", that's right. Here is a list of some of his past deeds: Harold Camping -- False Prophet [http://www.jesus-is-savior.com/Wolves/harold\\_camping.htm](http://www.jesus-is-savior.com/Wolves/harold_camping.htm)

1. Harold Camping proclaimed the Lord's return would be in 1994!
2. Harold Camping now proclaims the Lord's return will be in October, 20, 2011!
3. Harold Camping taught that NO ONE was saved between 1988 through 1994!
4. Harold Camping teaches that the church age ended in 1994!
5. Harold Camping teaches that the Holy Spirit is NO LONGER working in the church!

As you can see, False Prophet Camping is accustomed to setting dates and attempting to deceive people, being deceived himself (2 Tim 3:13, 2 Pet 2:13, Eph 4:14; 5:6, Tit 1:10-11, 1 Tim 4:1).
